

Below is a summary of the Club Championship results to date as at 23<sup>rd</sup> July 2009

Just to remind you - the championship is based on your best 8 results - and as you can see so far only 3 of us have done 8 or more races. But don't worry, there's plenty of time to get those points as there are 12 more eligible races as well as points for best times at the Yeovilton 5km and any marathon (I've noted the times I know about but if you've done one and it's not listed, just let me know and I'll note it down).

Next championship races coming up:

Maiden Castle 6.5 mile multi-terrain - Saturday 11 July

Haselbury Trail 10km - Wednesday 5 August

Maiden New"ten" Madness - Saturday 8 August

Battle of Sedgemoor 10km - Sunday 30 August
