- Linda Membury was welcomed to the committee. LM asked if the club would provide a minibus for Newton Abbott ladies on Sunday 22nd September. It was agreed that it was likely that this would be possible.
- GS would like to invite other clubs to the track nights. SW had already spoken to GS and had suggested that this be every 3 months.
- Dave Richardson memorial – this needs to be moved as current planned date Tim is away. PM will discuss an alternative date with Tim.

Kit – Graham Still

- Graham was away

Championship secretary – Lesley Nesbitt

- All up to date and on Facebook. Mell Scenic is still to be confirmed.

Webmaster – Guy Williams

- GW will go through the website, he does need other people to look through and say what is out of date etc. Two club members have volunteered to be admins on the website and to keep this updated with events etc.

Data Protection/Welfare Officer – Dave Mears

- Nothing to report.

Pub and club runs – Phil McQuaid

- All booked up to July

AOB

- Town Tree Trail was well supported. There were a couple of injuries from the low beams. SW has mended one of the bridges however there is uncertainty about whether the Town Tree gardens will be reopened to the public and if the race will continue next week. AH had noted that there was a lack of help in setting the course up.
- Discussion held around the 5k series for 2025 – still require a keyholder who would be able to sign the keys in and out each race. This needs to be someone who has a connection with Yeovilton, either a serving officer or a civil servant. There also needs to be a sponsor for the race. JS to draft an advert requesting help for the next year.
- TW – has been picked up for not having the measured certificate. Has applied for a new one but not arrived yet. GW suggested TW should be able to download this off the website. LN is doing the fun run at the next race. Series prizes – TW has found number clips for series prizes. JS noted that we also have bags left over from last years races. TW to speak to GS re the bags.
- MD – would it be a good idea if run leaders had telephone contact numbers of other run leaders in case of any difficulties or if people get lost. PM to add this to the notices. If run leaders are aware that they will be late back, they should notify someone else from another group to make them aware.
- Presentation evening all booked.
- Bench run is planned for 9th July. It has been suggested that the runs start from the bench rather than running to the bench.

There next meeting will be Wednesday 3rd July 2024 at 7.00pm. If anyone has any issues/questions they would like to raise, then they should email them through to the chair or secretary.
